Introducing the Christian Faith

is a short course that will be running over four evenings in October and November to introduce the Christian faith to those who are not churchgoers, and to provide a refresher for those who are.

Each evening will start at 7pm with a hot meal and be followed by a short talk and discussion groups. The talks will be based on the parables and miracles of Jesus, and the discussion groups will not require any previous knowledge or experience.

Now is the time to start praying for the people you will want to bring along with you.

The meetings are all at St Philip's church in Scholes from 7pm to 9pm, on the following dates:

- Saturday 5th October
- Saturday 19th October
- Saturday 2nd November
- Saturday 16th November
