## Rotas

There are lots of jobs to be done before,  
during and after the services.

1. Stewards at the door to welcome people and give out anything that is needed
2. Computer—not every service—but sometimes, just someone to click onto the next slide
3. Lectors to read one of the Bible passages for the day
4. Intercessors—someone to lead us in prayers—training will be given
5. Cleaners to vacuum carpets and spray clean the pews, and wipe down the kitchen and toilet

There are lists on the table in front of the glass doors.
